

Instruction Gift Topper

LIAGRIFFITH.COM

Instruction

1 You will need: tissue paper, scissors, twine, punch

2 Fold square tissue in half twice, at this point you should have 4 layers.

3 Fold again two times. You should have 16 layers.

4 Fold diagonally to create a triangle, fold triangle again to form a smaller triangle.

5 Fold half of the triangle again and turn over.

6 Fold other half of triangle to form small triangle.

Anleitung

With folded edge as point mark a half circle onto triangle.

Trim tissue with scissors discarding top of triangle.

Open tissue petals and stack 8 layers in rotation.

Fold petals stack in half and punch hole in center. When you reopen petals you will have 2 holes.

Tie twine through hole.

Tie on top of a gift or use for party decoration.
